**Executive Committee opportunities**

We welcome nominations for the committee.

The terms of Kjerstin Stigmar (Sweden) and Vasiliki Sakellari (Greece) are ending. Kjerstin will resign from the Executive Committee in 2025, Vasiliki will stand for re-election. We are very grateful for all of Kjerstin's work for IFPOHE Executive Committee, from the start in Geneva and prior work on the formation of IFPOHE.

At least four positions are vacant at the time of writing. Please contact the Executive Committee if you wish to nominate as soon as you can. Once we know you wish to nominate we can assist you with the formal paper work - this involves completing a short nomination form and getting a supporting letter from your Member Organisation. Your nomination will be voted on at the General Meeting.

We would like to receive your nomination by **2025 January 21<sup>st</sup>** at the latest and can be sent to **Augustine Appah Acquah**, [augustineacquah@ug.edu.gh](mailto:augustineacquah@ug.edu.gh). Augustine is our IFPOHE colleague from Ghana and is our receiving officer for nomination forms 2025.

Digital voting will take place in late February-early March 2025 - provisional closure on March 6<sup>th</sup> 2025.

With best wishes for the New Year,

the IFPOHE Executive Committee
